This reputation is founded on the warmth of Clovelly's "family" character, its outstanding facilities, and steps we have taken, such as opening the Club to all irrespective of race, creed or gender, to ensure that Clovelly truly reflects the high ideal of its motto: "FraternitasLudorum".

The rest of the afternoon would be a great opportunity to visit the Victoria & Alfred Waterfront with its many attractions.

Hermanus Attractions

Hermanus, the world's foremost land based whale watching destination, is a thriving holiday resort offering residents and holiday makers all modern amenities, yet retaining its fisherman's village charm. Contributory

Fancourt Golf Club

With two 18-hole parkland courses, The Montagu, that took shape under master golfer Gary Player, worldclass conditioning and a setting that takes in mountains, water and wildlife, there is nothing to beat a Fancourt round.

Since Golf at these two courses at Fancourt is limited to members, their guests and resort guests, you will have ample time and space to savour the Fancourt golfing experience.

Fancourt is South Africa's premier golf resort, with all three of our golf courses ranked in the Top 20 in South Africa (2011 Golf Digest rankings), The Links ranked No. 1, Montagu ranked 7, and Outeniqua ranked 18.

Since opening in the early 90s with just 27 Gary Player-designed holes, Fancourt's Outeniqua and Montagu golf courses have matured and developed into two of the finest 18-hole parkland layouts in the country.

A round on either is a special experience, sculpted and finished as they are, with rare attention to detail and designed with the coastal George winds in mind.

In addition, Fancourt has an exceptional golf academy that houses a TaylorMade Fitment Centre and state-of-the-art teaching facilities, backed up by the expertise of PGA professionals. To keep golfers looking the part, there are two well-stocked pro shops, offering a wide variety of clothing, accessories and hardware

Sun City

Deep in the rugged bushveld, in the heart of an ancient volcano, lies the world's most unique resort, the internationally acclaimed Sun City. The Resort has a unique heartbeat and an African rhythm of its own and is unlike any other Resort destination in the world. This is pure fantasy and your every desire is met.

There are four world-class hotels including the magnificent Palace of the Lost City that glitters like a jewel beneath the African sun, brilliant in its rain forest surroundings and luxurious in its detail and design.

Adjoining the Resort, is the beautiful Pilanesberg National Park, which will delight game viewers as it is

BEAUTIFUL views

a malaria free zone and home to the "Big 5" (Buffalo, Elephant, Leopard, Lion and Rhino).

The Sun City resort has amazed the international community with its glamorous casinos, gourmet restaurants, extensive sports facilities and star studded spectaculars.

The full variety of entertainment on offer ranges from slots to safaris; the theatre extravaganza to a games arcade for children; horse riding to golf; the Valley of Waves to The Lost City ... whatever it is you're looking for, you'll find it at Sun City.

Day 8

Golf at Sun City

- After enjoying an early morning breakfast, make your way to the Gary Player Golf Course for a round of golf.
- Also included is golf cart sharing, one meal voucher to the value of R150.00, a draught beer on tap per round of golf and a halfway house lunch.

Gary Player Golf Course

Gary Player Golf Course, Sun City, North West Province / Continually ranked the best golf course in South Africa, the Gary Player Golf course sets the standard.

It is arguably the most famous course in South Africa. The Gary Player Country Club is acknowledged as a difficult and demanding course.

Since 1981 it has been home to the Nedbank Golf Challenge. The course requires stamina and accuracy

from players.

The comparatively flat nature of the golf course is misleading - water hazards, cunningly sited bunkers and pins hidden away on kidney shaped greens makes up for the lack of gradient. The course is immaculate with generally wide kikuyu fairways and bent greens.

Although this parkland course is fairly flat, the many water hazards, cunning sited bunkers (the fairway bunkers have just been deepened) and hidden pin placement make up for the lack of gradient.

This course also cuts through the African bush leaving the fairways with only the bushveld as a border.

Multiple tees make this course both enjoyable and playable for the keen novice and the skilled professional.

First timers will quickly learn that the course can be unforgiving of wayward shots - the 13th, steering away from the bunkers, could land the ball in some thick rough on the right.

Off the back markers the course measures over 7 000 metres which makes it one of the longest in the world. But a variety of tees make it possible to shorten the course and render playable for all levels of golfers.

A distinguishing feature of the course is its green's complexes, with strategically placed bunkers, swales and mounds that protect the super slick clover shaped

greens.

With pristine perfect kikuyu fairways and excellent bent grass greens the course is kept in perfect condition all year round

- The rest of the day at leisure

Day 9

Golf at Sun City

- After enjoying an early morning breakfast, make your way to the Lost City Golf Course for a round of golf.
- Also included is golf cart sharing, one meal voucher to the value of R150.00, a draught beer on tap per round of golf and a halfway house lunch.

Lost City Golf Course

Lost City Golf Course, Sun City, North West Province, South Africa / The course was carved out of undulating and rocky terrain. Situated over a hill from the Gary Player Country Club, the Lost City's layout is different in character. With the wide fairways and receptive greens it is a fantastic golf experience for golfers of varying standards.

The Lost City golf course covers more than 100 hectares and incorporates 28 000 square metres of water features - not surprisingly Golf Carts are compulsory. The Lost City Golf Course is an 18-hole desert-style golf course with spectacular views across the bushveld.

Unique to this 72 par course are the real crocodiles at the 13th hole making this one of the most unusual golf resorts in the world, let alone in Africa.

The desert style design of the golf course has an exotic allure all of its own and designer, Gary Player has acknowledged it as one of his favourite courses.

The Lost City Golf Course is flexible: playing off the forward tee a course length of 5 953 metres, extending to 6 983 metres off the back tee. The course provides spectacular views. Playing the back nine at Lost City Golf Course is like going on a golf safari.

It has often been noted that the game is more exciting when played downhill and this is certainly the case here.

In addition to the previously mentioned 13th, holes eleven, fourteen, fifteen and sixteen are all played from elevated tees offering thrill, excitement and challenge to the golfer.

And some of the most spectacular African views to be had on a golf course.

- Rest of the day spend at leisure enjoying the many amenities Sun City Resort has to offer.
